

Directions: Use the blanks below to fill in whatever information is available for each of your sources. If you have a source different from these, collect the basic publication facts: (author's name, article's name, publication's name (Web or print), freshness date, date you found it). Use your own paper if you need more blanks than these.

Website or Webpage or anything found on the Web

| | | | | |
|----------------|-----------------|-----------------|----------------|--------------------|
| _____ | _____ | _____ | _____ | _____ |
| Name of author | Name of Webpage | Name of Website | Any date given | Date you found it. |
